

Terms and Conditions: Projects don't take holidays Campaign

The coupon code **MV073NC1W** will be redeemable online on the web-ordering system (WOS) of MISUMI Europa GmbH (MISUMI), available at <https://uk.misumi-ec.com/> **only for the purchase of meviy products** (prototype and one-off parts) to support engineering efficiency during the summer holiday season. MISUMI is not responsible for any loss due to customer's failure to promptly respond to the Promotion or make a timely order using the Coupon. The Coupon will grant a **discount of €200 OR £200** off a purchase through MISUMI's Web-Ordering System (WOS) available at <https://uk.misumi-ec.com/>.

The coupon can **only be redeemed** when the total price of meviy product(s) (Excl. VAT) **exceeds the price of its coupon value** of €200 or £200. One (1) Coupon can be redeemed per user for a **single time use**. No cash back is offered if the value of the Coupon is greater than the purchase value of the Promotional Products. As a result of this allocation, the total discount amount may be subject to minor adjustments, which could be an increase or decrease of a few cents from the discount. The coupon code is non-transferable and can be entered during the ordering process of WOS under Confirm order data in the field Enter coupon code. This offer is valid from 15 July until 31 August 2026.

MISUMI reserves the right to change these terms at any time without notification. Further details are available under [Terms and Conditions](#). In the event of any inconsistency between the conditions written here and the Terms and Conditions mentioned above, the conditions written will prevail. For any inquiry or question, please contact us by sending an email to: meviy-eu@misumi-europe.com

Frequently Asked Questions (FAQ)

Are there any hidden costs?

There are no hidden costs. You receive a discount of €200 on your order of meviy prototype or one-off parts. You remain responsible for shipping costs, applicable taxes, and a nominal technical fee of €0.01 for the order processing.

Do I get a credit note if my order is for less than €200?

No. The coupon code is only functional for orders with a total value exceeding €200 (excl. VAT).

For which parts can I use the discount?

The discount applies exclusively to parts manufactured via meviy, specifically for prototypes and one-off components. It is designed to support your productivity by removing manual quotation and drawing workflows.

How long does it take to register to use meviy?

Registration typically takes half a working day. You will need your company details and a trade licence or tax number. Companies based outside the EU must complete a compliance declaration via email to finalise registration.
